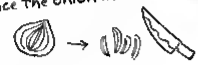
How to make potato gratin.

Slice the onion into thin pieces.



Stir fry with butter.

Season when the onion's softened.

Add milk

Mix well for nice consistency. Add salt and seasoning, then simmer until it's thickened into a white suspension.

↓

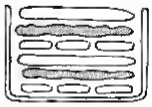
Cook the sweet potato (boil, steam, or microwave). Leave it to cool down a bit then slice into pieces.

Stir fry the ground meat. Dissolve the tomato powder in hot water then add to the meat, continue stirring.

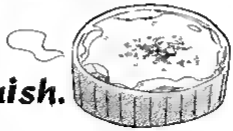
Butter the ramekin.

(it's easier to do this using kitchen paper)

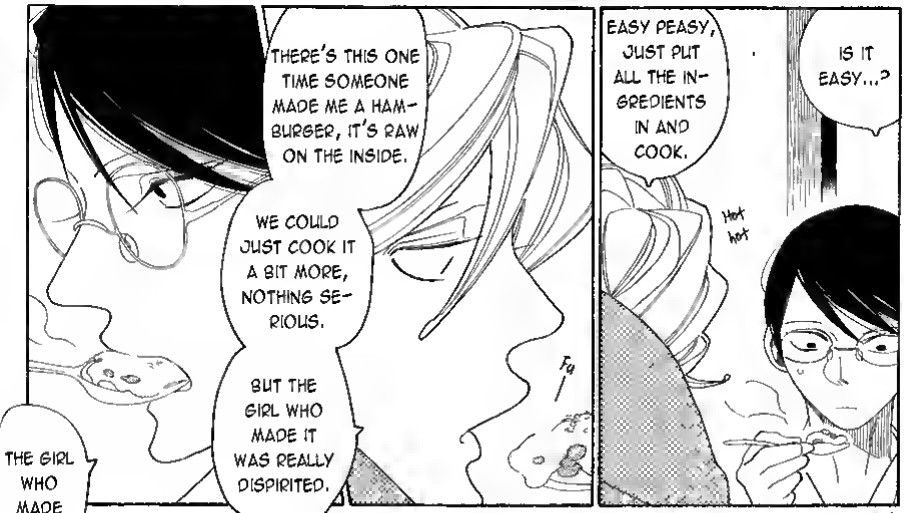
Arrange the ingredients as potato - meat - sauce Potato - meat - sauce order.



Top with melted cheese and breadcrumbs then put it in the oven (toaster is okay too).



Finish.



THERE'S THIS ONE TIME SOMEONE MADE ME A HAMBURGER, IT'S RAW ON THE INSIDE.
WE COULD JUST COOK IT A BIT MORE, NOTHING SERIOUS.
